Dear Year 3,

We hope you've enjoyed last week's Youtube videos and [Seesaw](#) activities! A little reminder you can find some videos in the [Year 3 folder](#) on the [Lark Hall Primary School](#) account on [YouTube](#). This week, you can find Charlotte recapping compact column subtraction! Sophie is also there with a poem and activity for you!

Once you've watched these videos, we'd love to see any work you've completed! This could be setting yourself some tricky column subtraction questions or creating a poem like the one Sophie has read.

Please upload these to [SeeSaw](#). If you did not receive your details for logging onto [SeeSaw](#) at home, please use the QR code on the website or ask your adult to email: Sophie ([sdenton@larkhall.lambeth.sch.uk](mailto:sdenton@larkhall.lambeth.sch.uk)) or Charlotte ([cpajak@larkhall.lambeth.sch.uk](mailto:cpajak@larkhall.lambeth.sch.uk)).

### Maths Challenge!

Watch Charlotte's video and repeat last week's receipt activity on the [Lark Hall Website](#) and [Seesaw](#) to practise your subtraction. We can't wait to see your addition and subtraction using your receipt! Please upload this to [SeeSaw](#) for us to see!

### Literacy Challenge!

Watch Sophie's video on the [Lark Hall Youtube account](#) and listen to Benjamin Zephaniah's poem, 'For Word'.

We would like you to think about these questions:

1. What is Benjamin thankful for?
2. Why do you think he is so thankful for this?

After listening we would love you to write your own poem about what you are **THANKFUL** for.

#### Here are some ideas:

The NHS,  
Family,  
Friends,  
School,  
Your home,  
Food.

#### Remember to include some of these features in your poem:

**Adjectives** e.g. **mouthwatering**, **delicious** and **endless** treats  
**Adverbs** e.g. working **endlessly** through the night  
**Alliteration** e.g. the **h**ardworking, **h**eroic **h**eroes  
**Similes** e.g. **as** sweet **as** honey or **like** angels from heaven  
**Rhyme** e.g. the food is very **yummy**, in my grateful **tummy**!
